

Daisy Day Cozies

Pattern and charts by Robin Smallwood of Creative Unicorn Crafts

Pattern Notes:

Gauge is somewhat important so your cozy fits an actual can! Different yarn weights - even if they all say worsted weight can vary in thickness which can vary the size of your cozy when it comes to length. Can cozy knit in the round. Due to the nature of knitting in the round and carrying two colors, with this chart, at times you're carrying yarn for several stitches. You'll want to twist your yarn after 3-4 stitches so the floats aren't all loosey-goosey! The yellow in the center of the daisy was worked with duplicate stitch.

Materials:

US 6/4.0 mm, DPN or appropriate length cable needle, tapestry needle, stitch marker if needed for beginning of row, Yarn: You can use any worsted weight in desired colors, tapestry needle.
