

Pizza Cozies

Pattern and charts by Robin Smallwood of Creative Unicorn Crafts

Pattern Notes:

Gauge is somewhat important so your cozy fits an actual can! Different yarn weights - even if they all say worsted weight can vary in thickness which can vary the size of your cozy when it comes to length. Can cozy knit in the round.

Materials:

US 6/4.0 mm, DPN or appropriate length cable needle, tapestry needle, stitch marker if needed for beginning of row, Yarn: You can use any worsted weight in desired colors. I liked my MC to contrast the yellow I used for the pizza/cheese so I chose an aqua color!

Gauge:

17.5 sts + 27 rows = 4 inches/10 centimeters in stockinette stitch, finished can cozie will measure around 5"x4.5"

Skills needed:

Knitting in the round, sewing

Abbreviations:

CO: Cast On; MC: Main color, K: Knit; K1: Knit one; K1fb: Knit one stitch in the front and back of the same stitch, creating an increase; P1: Purl one, BO: Bind off

Once your cozy is knit and looks like a bunch of triangles, it's time to embellish! Using "gold" (or beige etc) duplicate stitch your crust at the top of each slice. Then I used red for pepperonis but you can add whatever toppings you want! Even ham and pineapple :)

Weave in the ends, or don't.
No judgment from me!
